MOORE'S GOGO SHAMPOO WASH.

THIS WASH HAS PROVED ITSELF TO BE THE BEST PREPARATION EVER PRESENTED TO THE PUBLIC.

THE Bases of this compound is made of Gogo Root. The natives of the Philippine Islands never use anything else for washing their hair; you never see them bald, and it is quite common to see the females with hair from 5 to 6 feet long. By using this SHAMPOO WASH as directed, you will never be bald. The Proprietor offers the Wash to the public, being entirely confident that by its restorative properties it will surely arrest dandruff, and cure all diseases of the scalp; it does not contain any poisonous drugs, but by its cooling properties allays the itching and fever of the scalp. Mr. Moore has succeeded in being able to put this Wash up in bottles without allowing it to ferment, and he will guarantee it to keep any length of time in any climate.

SPECTACLES FOR BLINDNESS.

Vision is justly described as the most important of our senses, and its loss is regarded as one of the greatest afflictions to which mankind is subject.
It is, therefore, of paramount importance that we should carefully use our sight, whilst perfect, and that when unfortunately, the help of Spectacles is felt to be necessary, the utmost care should be taken in the selection of them.
The late eminent Oculist, Dr. Soelberg Wells, testified that he had no hesitation in stating that the highest plan of selecting Spectacles—employed by some Opticians—was frequently attended by serious consequences; that eyes were often permanently injured, which might, by skillful adaptation of glasses, have been preserved for years.

S. R. GROOM, Esq., F.R.C.S.,

Baronet at Law, Singapore.

Writes:—
I have used Glasses for twenty years, and have no hesitation in saying that, those supplied me by you are the best I have ever worn. I wear them with much satisfaction and comfort, and find the frames are especially convenient.

The Overland China Mail.

A WEEKLY JOURNAL FOR THE HOME MAIL.

IT IS PUBLISHED to suit the Departure
of each ENGLISH and FOREIGN Mail
Steamer for Europe. Formerly the Over-
land issue was published fortnightly; but
as it was deemed of special importance that
a weekly budget of news should be prepared,
it was decided to issue it weekly. Sub-
scribers at Home, and those at the Coast
Ports and in the interior, who find the
Overland edition a convenient form of news-
paper for their personal, will welcome the
change. The *Overland China Mail*, now a
weekly compendium of news from the Far
East, contains special Commercial intelli-
gence, special tables of Shipping, and other
information. The various Reports of Con-
tents and Meetings, and all other news, are given
in full as they appear in the Daily issue.

The attention of Advertisers is directed
to a weekly newspaper, which is circulated
among old China 'hands' and others, both
at home and in the Far East, who do not
take the daily journals.

The *Overland China Mail* will be regularly
posted from the China Mail Office to sub-
scribers, on their addresses being forwarded
to us.

THE CHINESE MAIL.

THIS paper is now issued every day.
The subscription is fixed at Four
Dollars per annum delivered in Hong-
kong or Ten Dollars Forty Cents in-
cluding postage to Coast ports.

It is the first Chinese Newspaper ever
issued under purely native direction.
The chief support of the paper is of course
derived from the native community,
among whom also are to be found the
gleaners and security necessary to
place it on a business and legal footing.

The projector, basing their estimates
upon the most reliable information from
the various Ports in China and Japan,—
from Australia, California, Singapore, Pen-
ang, Saigon, and other places frequented by
the Chinese,—consider themselves justified
in guaranteeing a large and ever-increasing
circulation. The advantages offered to ad-
vertisers are therefore unusually great, and
the foreign community generally will find
it to their interest to avail themselves of
them.

The field open to a paper of this descrip-
tion—conducted by native efforts, but
progressive and anti-obstructive in tone—
is almost limitless. On the one hand
commands Chinese belief and interest,
while on the other it deserves every ad-
vice that can be given to it by foreigners.
Like English journals it contains Editorials,
with Local, Shipping, and Commercial
News and Advertisements.

Subscription orders for the above may be
sent to
